

Superintendent's Report

November

We prepare Idaho's youth and adults for high-skill, in-demand careers.

Cluster / Pathway

Cluster Programs

Purpose: Career Exploration – Workplace Readiness

Requirements:

- 2+ years
- No capstone course
- Strong workplace readiness skills alignment
- Active CTSO and Technical Advisory Committee
- All Seniors in at least their 2nd CTE course will take CTECS Workplace Readiness Assessment

Pathway Program

Purpose: Career Exploration with postsecondary program transition

Requirements:

- 2+ years
- Foundation, Intermediate, and Capstone course sequence
- Alignment to similar postsecondary outcomes and industry standards
- Strong workplace readiness skills alignment
- Active CTSO and Technical Advisory Committee
- Work related experience during Capstone
- Concentrators take approved TSA in Capstone
- Must meet expectation for at least one aligned postsecondary course for TCC
- All Seniors in at least their 2nd CTE course will take CTECS Workplace Readiness Assessment

The Value of Pathways

Students in Pathway Programs:

- Receive instruction guided by industry and postsecondary [standards](#)
- Can receive Technical Competency Credit toward aligned postsecondary courses
- Receive SkillStack® badges/microcertifications for use on their resumes
- Receive real-world experience through the work experience component

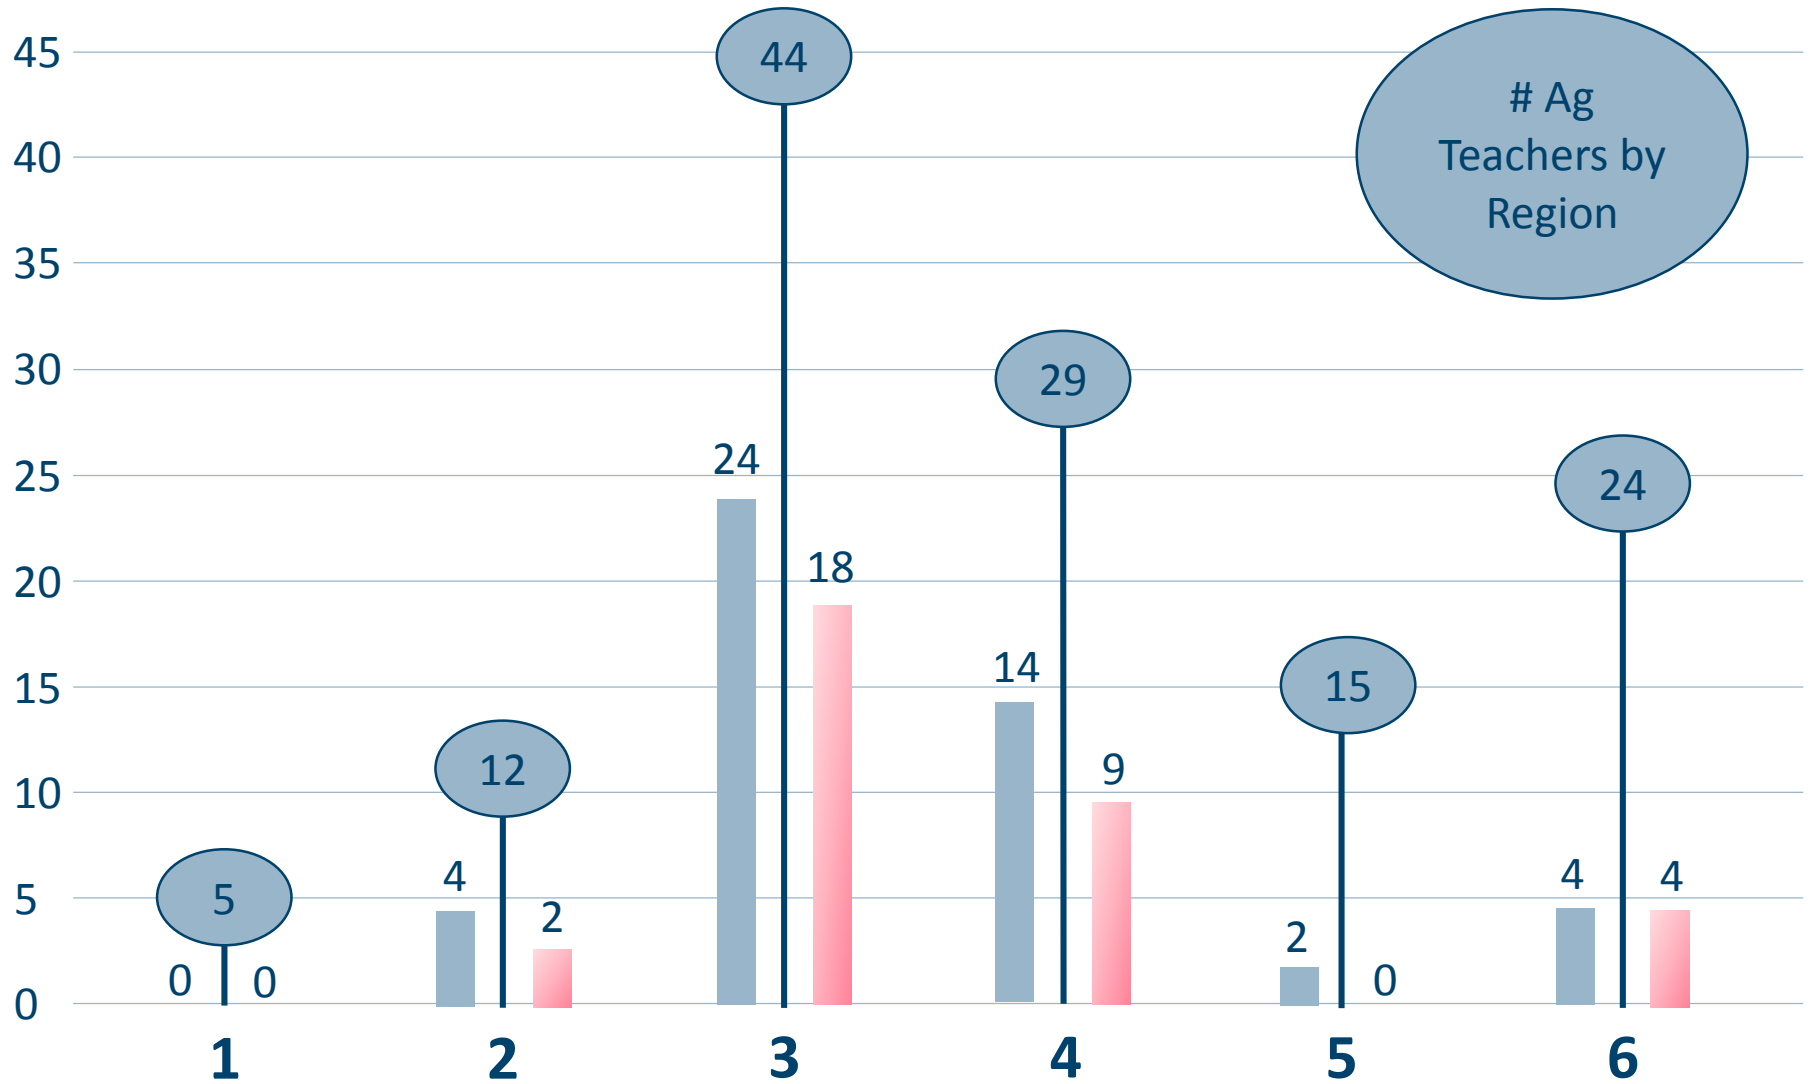

AG Idaho Quality Program Standards

The value of Career & Technical Education

- Connects students to real careers
- Provides a talent pipeline for Idaho's business
- Makes education meaningful through applied learning
